FIG. 9

A cross-sectional view of a multi-layered structure 1000. The structure consists of a top layer 1006, a middle layer 1005, and a bottom layer 1004. The top layer 1006 contains a series of small circles 1007. The middle layer 1005 contains a series of larger circles 1008. The bottom layer 1004 is a solid layer. The structure is shown with a wavy line 1002 at the bottom, indicating a cross-section.
